

# “Who” Questions

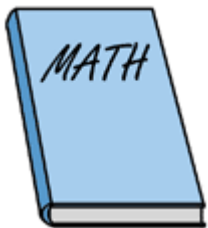

# “WH” Questions with Answer Choices

These "who," "what," "when," "where," and "why" cards are a fun way for students to work on questions. The students can mark their choices with a dry erase marker, bingo dauber or plastic chip. You can also make a more challenging set without the choices by simply cutting the bottom half off.

Tip: Put them on a metal ring to keep them organized and easy to grab. A cover card for each set is included.
